

## PRESIDENT'S MESSAGE

*Adam Schildmeier, P.E.*

Tropical Storm Isaac single handedly bumped our Golf Tournament a month to September 22<sup>nd</sup>. The course could've been a mess but August 25<sup>th</sup> turned out to be a nice day despite the bad overnight and early morning storms. I mowed my lawn, hooked up an outdoor TV antennae and fixed other odds and ends till about 3pm. Then the rains came and didn't let up until Tuesday. I believe the following letter sums it up best:

"Dear Tropical Storm Isaac,  
 You were only a tropical storm and hundreds of miles away. You weren't supposed to wreak so much havoc. At least your cousin Fay had the courtesy to let us know she was coming by before inundating our area with rainfall. If nothing else, you woke us up again by making us realize that we are not ready. You pointed out our weak spots. We'll be better prepared next time. Now can you spot us a loan to cover the damages?"

Thanks,  
 "Members of the Treasure Coast Chapter of FES"

Our ICPR models have so many assumptions that will never consider all the variables in reality. A blocked weir, overgrown swale, or late jurisdictional action can easily change the outcome and suddenly a whole basin starts coming up red. You can't plan for every

scenario. Fortunately, we're a collection of problem solvers who can take what we see and fix the problem. Find it, fix it, and run it again! Tis the season!

If you haven't already signed up, please consider joining us on September 22<sup>nd</sup> at the Santa Lucea Golf Club at Ballantrae in Port Saint Lucie! Also, we'll be holding our first ever "Happy Hour Only" event for everyone to attend. Grab a buddy and bring your new hires to mix and mingle. More details to follow.

## COMMITTEE CHAIRS

FES is a member driven organization. Our volunteers steer the Society in the best direction. Ideas and programs are created at the committee level and impact the organization at each level. Becoming part of a FES committee is very simple and rewarding.

We have several new volunteers, however, we still need a few more for our State Committees. For further details on a specific committee, or if you are interested in volunteering for any of these committees, please contact Adam Shildmeier at (772) 283-1413 or [President@tcfes.org](mailto:President@tcfes.org).

In addition, please thank your fellow members who are volunteering their time to make a difference.
