

# ENGINEERS: invent amazing

2019 DiscoverE programs are made possible by the Leadership Council  
and co-chair NCEES

**Leadership Council:** Bechtel • Bentley Systems, Inc. • ExxonMobil  
Corporation • NCEES (National Council of Examiners for Engineering  
and Surveying) • Northrop Grumman Foundation • Shell Oil  
Company • TE Connectivity • Underwriters Laboratories

# Celebrate • Educate • Inspire

Volunteers, educators, and organizations actively engage young students, parents, and leaders in hands-on experiences and to celebrate the profession. Get ideas: [www.DiscoverE.org/EngineersWeek](http://www.DiscoverE.org/EngineersWeek)

Join our volunteer community to inspire girls to explore engineering and technology careers. Become a Girl Day Role Model: [www.DiscoverE.org/GirlDay](http://www.DiscoverE.org/GirlDay)

Women and their advocates gain personal and professional advice for success via a free series of high impact online conversations beginning in early March. Learn more: [www.DiscoverE.org/GlobalMarathon](http://www.DiscoverE.org/GlobalMarathon)

Global Day is THE international movement that celebrates engineers and the amazing innovations they create to benefit the world. See: [www.DiscoverE.org/GlobalDay](http://www.DiscoverE.org/GlobalDay)

Each year, 40,000 children in grades 6-8 embark on a transformative project-based learning experience, imagining, designing, and building cities of the future. Find a program near you: [www.DiscoverE.org/FutureCity](http://www.DiscoverE.org/FutureCity)

Get Inspired. Get Resources. Get Training.

## Engineers: Invent Amazing

Engineers invent things that amaze us in the moment. Think jaw-dropping space launch. But many of us take for granted much in this engineered world that is everyday amazing, like clean drinking water at the turn of a faucet. During Engineers Week we celebrate engineers and how they enhance our lives. The need for the next generation of practical inventors and innovators continues. Who will step up?

With DiscoverE resources, you can reach out effectively to students, parents, and community leaders with hands-on engineering experiences and pathways to engineering education and careers.

During Engineers Week, or any time of year, inspire future engineers with your knowledge and enthusiasm. In other words, help invent the future of amazing.
